Pub Date: 9/1/18
\$10.95
32 pages
Hardcover

Juvenile Nonfiction / Biography &
Autobiography / Religious
9 in H | 11 in W

Under the Bodhi Tree is an illustrated biography perfect for children who are curious about the real people who made history. Here young readers will discover the timeless story of a child whose search for peace reshaped the whole world.

Once upon a time in ancient India, a prince was born. His name was Siddhartha, and one day he would inherit a powerful kingdom. His father tried to protect him from the suffering and hardship beyond the palace walls, but just like children everywhere, the prince longed to see the world.

Under the Bodhi Tree is the story of a boy and his journey for understanding that eventually led him to the path of peace. Told in lyrical language, this excellent introduction to the story of the Buddha is beautifully illustrated and perfect for children who are curious about the real people who made history.

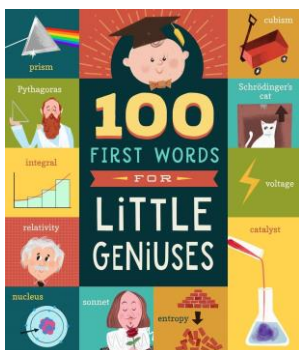

Inventors Who Changed the World

Join Peter Pan, Tinker Bell, and the Darling children on their epic adventure! Filled with interactive wheels and pull-tabs, and lavishly illustrated, *Lit for Little Hands: Peter Pan* is an unprecedented kid's introduction to J. M. Barrie's beloved classic novel. Unlike many board books that tackle the classics, *Lit for Little Hands* tells the actual story in simple, engaging prose.

Gorgeous and whimsical illustrations transport the reader to Neverland, while tons of interactive elements invite kids to help Peter catch his shadow, battle swashbuckling pirates, and, of

The Girl With a Mind for Math: The Story of Raye Montague
Julia Finley Mosca, Daniel Rieley
THE INNOVATION PRESS
9781943147427
Pub Date: 9/4/18
\$17.99
40 pages
Hardcover with dust jacket
Juvenile Nonfiction / Biography & Autobiography / Women
9.8 in H | 9.8 in W

Meet Raye Montague—the hidden mastermind who made waves in the U.S. Navy!

After touring a German submarine in the early 1940s, young Raye set her sights on becoming an engineer. Little did she know sexism and racial inequality would challenge that dream every step of the way, even keeping her greatest career accomplishment a secret for decades. Through it all, the gifted mathematician persisted—finally gaining her well-deserved title in history: a pioneer who changed the course of ship design forever.

The Girl With a Mind for Math: The Story of Raye Montague is the third book in a riveting educational series about the inspiring lives of amazing scientists. In addition to the illustrated rhyming tale, you'll find a complete biography, fun facts, a colorful timeline of events, and even a note from Montague herself!

Roan returns in the follow-up to Scion of the Fox, where darkness, death, and ancient powers collide. The dazzling second book in S.M. Beiko's Realms of Ancient series

Three months after the battle of Zabor, the five friends that came together to defeat her have been separated. Burdened with the Calamity Stone she acquired in *Scion of the Fox*, Roan has gone to Scotland to retrace her grandmother's steps in an attempt to stop further evil from entering the world.

Meanwhile, a wicked monster called Seela has risen from the ashy Bloodlands and is wreaking havoc on the world while children in Edinburgh are afflicted by a strange plague; Eli travels to Seoul to face judgment and is nearly murdered; Natti endures a taxing journey with two polar bears; Phae tries desperately to obtain the key to the Underworld; and Barton joins a Family-wide coalition as the last defense against an enemy that will stop at nothing to undo Ancient's influence on Earth — before there is no longer an Earth to fight for.

Darkness, death, and the ancient powers that shape the world will collide as our heroes discover that some children collapse under their dark inheritance, and those who don't are haunted by blood.

Young Adult Fiction / Fantasy /
Contemporary
7.8 in H | 5 in W

As the winter ice begins to thaw, the fury of a demon builds — all because one girl couldn't stay dead ...

Roan Harken considers herself a typical high school student — dead parents, an infected eyeball, and living in the house of her estranged, currently comatose grandmother (well, maybe not so typical) — but she's uncovering the depth of the secrets her family left behind. Saved from the grasp of Death itself by a powerful fox spirit named Sil, Roan must harness mysterious ancient power . . . and quickly. A snake-monster called Zabor lies in wait in the bed of the frozen Assiniboine River, hungry for the sacrifice of spirit-blood in exchange for keeping the flood waters at bay. Thrust onto an ancient battlefield, Roan soon realizes that to maintain the balance of the world, she will have to sacrifice more than her life in order to take her place as Scion of the Fox.

**The Empath's Survival Guide:
Life Strategies for Sensitive People**

Judith Orloff
SOUNDS TRUE
9781683642114
Pub Date: 9/4/18
\$17.95
288 pages
Paperback
Self-Help / Personal Growth
9 in H | 6 in W

Dr. Judith Orloff's *The Empath's Survival Guide* will be a revelation to one of society's most misunderstood populations—empaths, who often feel overwhelmed and left behind by a hectic, abrasive world.

What is the difference between having empathy and being an empath? "Having empathy means our heart goes out to another person in joy or pain," says Dr. Orloff. "But for empaths it goes much farther. We actually feel others' emotions, energy, and physical symptoms in our own bodies." In this paperback edition of Dr. Orloff's bestseller, she offers an invaluable resource to help sensitive people develop healthy coping mechanisms in our high-stimulus world—all while embracing the empath's gifts of intuition, creativity, and spiritual connection.

For any sensitive person who has been told to "grow a thick skin," here is your lifelong guide for staying open while building resilience, exploring your gifts of sensitivity, raising empathic children, and feeling welcomed and valued by a world that desperately needs what you have to offer.

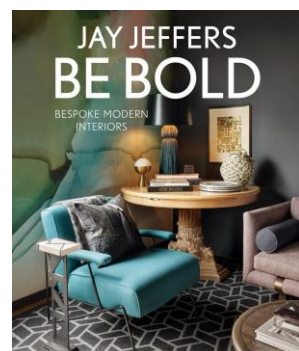

**She Persisted:
Quotes to Motivate and Inspire**
