Chanel: The Making of a Collection

Laetitia Cenac, et al.

A gorgeously illustrated exploration of the history, culture, and design process of the famed fashion house Chanel

Chanel: The Making of a Collection traces the design process of the world-renowned fashion house, revealing how a collection is created. Moving from the studio to the fashion show, fashion writer Laetitia Cenac has unprecedented access to explore a world that is usually carefully guarded from the public eye. With hundreds of beautifully rendered fashion illustrations from acclaimed artist Jean-Philippe Delhomme, Karl Lagerfeld's approach to design is brought to life, as are the talents of the masterfully skilled artisans—the embroiderers, flower makers, shoemakers, hat makers, and more—who specialize in everything from buttons and leather to lace, silk, and cashmere. Delving into the history and culture of the brand, while also detailing contemporary collections, *Chanel: The Making of a Collection* is a richly visual insider's look at the enduring creative legacy of this haute couture icon.

Rembrandt by Rembrandt:

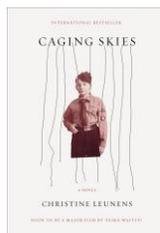

The Self-Portraits

Pascal Bonafoux

Rembrandt's revealing self-portraits in an appealing, affordable format

Celebrated as the supreme painter of the human condition, Rembrandt Harmenszoon van Rijn (1606–1669) famously turned the intense spotlight of his empathetic vision on himself. In the course of 60 years, he produced more than 50 self-portraits, in mediums ranging from paintings to drawings to engravings. Rembrandt stood at the beginning of a long tradition of self-portraiture—one that has given us both Cindy Sherman in the high arts, and selfies as the primary form of visual self-expression in everyday life—and he explored its potential in a thoroughly modern way. He portrayed the face he turned to the world, from youth to old age: a dandy, a husband, an artist, a solitary genius, among many other characters. He captured inner states that are universal to existence. *Rembrandt by Rembrandt* reproduces Rembrandt's self-portraits, with commentary about each one, in an appealing portable format that makes a perfect gift for any art lover.

Caging Skies: A Novel

Christine Leunens

A gripping, atmospheric novel about obsession and love, soon to be a major film

An avid member of the Hitler Youth in 1940s Vienna, Johannes Betzler discovers his parents are hiding a Jewish girl named Elsa behind a false wall in their home. His initial horror turns to interest—then love and obsession. After his parents disappear, Johannes is the only one aware of Elsa's existence in the house and the only one responsible for her survival.

By turns disturbing and blackly comic, haunting and cleverly satirical, Christine Leunens's captivating and masterful novel—sold in 16 countries and the basis for a major forthcoming film by Taika Waititi (*Thor: Ragnarok*, *What We Do in the Shadows*)—examines this world of truth and lies, laying bare the darkest corners of the human soul.

Small Mouth Sounds:

A Play: Off-Broadway Edition

Bess Wohl

"Leaves you moved, refreshed and, yes, maybe even enlightened." —The New York Times (Critic's Pick)

In the overwhelming quiet of the woods, six runaways from city life embark on a silent retreat. As these strangers confront internal demons both profound and absurd, their vows of silence collide with the achingly human need to connect. Filled with awkward and insightful humor, Bess Wohl's beguiling and compassionate new play brilliantly captures the unique eloquence of a silent retreat and asks how we address life's biggest questions when words fail us.

A major hit of the 2015–16 Off Broadway season with two sold out extended runs, *Small Mouth Sounds* is "wry and observant . . . long on emotions and short on words" (*Daily News*).
